Megas Yeeros launches New Hispanic Line “Mega Sabor”

Megas Yeeros launched a new product line called “Mega Sabor” which can be translated as mega flavor. The new line focuses on Hispanic market and aims at making life easier for Taqueria owners. Mega Sabor includes Al Pastor products, Patty Products and Filled products.

Its ingredients include a great variety of chili peppers from around the world, tropical fruit such as mangos, papaya and pineapple, vegetables, root vegetables such as yuca, and indigenous plants like achiote. Also Spanish extra virgin olive oil, garlic and natural spices, famous for their antioxidant power. Mega Sabor products are deliciously spicy and come with different chili sauces for pork, chicken or beef.

Our clean label approach ensures our meats are gluten-free and MSG-free
